

Call for Participation

We invite you to join us **7th International Conference on Advanced Machine Learning (AMLA 2026)**.

This conference serves as a premier international forum for presenting cutting edge research, exchanging ideas, and exploring the latest breakthroughs in Machine Learning and its rapidly expanding ecosystem. As ML continues to transform science, engineering, industry, and society, AMLA 2026 aims to highlight both foundational advances and emerging innovations that define the next generation of intelligent systems.

Highlights of AMLA 2026 includes:

- 12th International Conference on Image Processing and Pattern Recognition (IPPR 2026)
- 13th International Conference on Computer Science and Information Technology (CSIT 2026)
- 14th International Conference of Security, Privacy and Trust Management (SPTM 2026)
- 15th International conference on Parallel, Distributed Computing and Applications (IPDCA 2026)
- 12th International Conference on Software Engineering (SOENG 2026)
- 12th International Conference on Artificial Intelligence and Soft Computing (AIS 2026)
- 7th International Conference on Natural Language Processing & Applications (NLPA 2026)
- 12th International Conference on Data Mining (DaMi 2026)
- 7th International Conference on Big Data and Applications (BDAP 2026)
